Re: Request for \$2000.00 reclamation bond on Snow/Four Corners Mine.

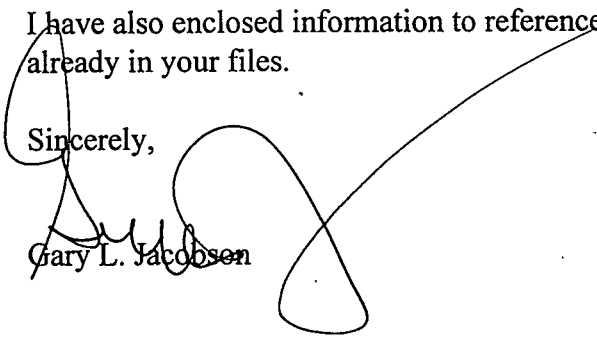

Sirs/Madam:

Enclosed are the 1997 Annual Reports on the Snow, Four Corners, and Probe Mines. All 3 mine sites had total reclamation completed in 1996. At this time I am requesting that the \$2000.00 CD that was pledged as a reclamation bond, be released back to me.

San Rafael Energy, Inc., was unincorporated at year end 1996, and all assets were liquidated to the investors. The \$2,000.00 bond is due from the company to me when it is released.

I have also enclosed information to reference the reclamation work - you should have copies already in your files.

Sincerely,

Gary L. Jacobson
